

## Inventory of Alphabetized Indices of Church Records

St. John's Lutheran Church  
Charleston, SC

*\*St. John's is fortunate to hold a series of indices produced by church member George Bonnoitt in the early 1990s. These documents contain alphabetical listings of persons whose names are mentioned in the records of St. John's Lutheran Church. Each index includes an explanatory "Foreword" by Bonnoitt that describes in detail which documents were used and includes a variety of detailed notations about issues and idiosyncrasies relevant to the work. Images are included below. The preparation of the indices was undertaken primarily to help the church respond to queries from descendants of church members. In each case, the indices are accompanied by transcribed (and, in some cases, translated) bound paper copies of the documents themselves, which are included here when available. The list below is simply a record of the indices and the corresponding documents to which they refer.*

### 1. Alphabetical Index of Persons from the following Records of St. John's Lutheran Church:

- a. MO1: Vestry Minutes Book No. 1 (German): 1767-1786
- b. MO2: Vestry Minutes Book No. 2: 1786-1818
- c. MO3: Vestry Minutes Book No. 3: 1830-1845
- d. MO4: Vestry Minutes Book No. 4: 1830-1845
- e. R01: the first church Register (1755-1787 in German)
- f. R1A: alpha index of non-principals only from the first church Register (i.e., witnesses and sponsors vs. those born, baptized, etc.)

### 2. Alphabetical Index of Persons from the following Records of St. John's Lutheran Church:

- a. MO6: Vestry Minutes Book No. 6: 1865-1882
- b. MO7: Vestry Minutes Book No. 7: 1882-1913

### 3. Alphabetical Index of Persons from the Register of St. John's Lutheran Church, 1822-1922

The Introduction, included below, indicates that due to gaps this index was culled together from various sources. There are no hard copies accompanying this index; it is, however, available on microfilm.

### 4. Epitaphs in the St. John's Church Yard

This is a version of an earlier document that has been updated by the History Committee. The initial version was completed as part of Roosevelt's Works Progress Administration (WPA) program by Miss Erma Mixson. This was consequently updated with changes/addition by the History Committee in 1988.

### 5. Signatures of St. John's Members from old Rules Book, ca. 1784

## Inventory of Microfilm Archive of Church Documents

St. John's Lutheran Church  
Charleston, SC

*\*There are 10 total microfilms in the storage vault of the History Room at St. Johns. Images are copied below from 9 that were produced in one session and assigned accession numbers with labels. A 10<sup>th</sup> was produced at a different time and preserves a copy of the earliest Vestry Minutes (referred to elsewhere as #MO1) from 1767-1784. This 10<sup>th</sup> microfilm is unnumbered but is differentiated by its black plastic case.*

Charleston, South Carolina 29401

### FOREWORD

1. This volume contains an alphabetical index of persons whose names are mentioned in the old records of St. John's Lutheran Church. The records concerned cover the period from 1865 to 1913, and are indicated in the Reference ("REF") column as follows:

- a. **M06** = the Vestry Minutes Book No. 6 for the period 1865 to 1882.
- b. **M07** = the Vestry Minutes Book No. 7 for the period 1882 to 1913.

2. This index has been prepared by the undersigned, along with a similar index of records for the period before the Civil War, in the interests of more easily replying to the many inquiries the Church Office receives from descendents of former members. The Church Vestry has given its permission to distribute copies to several libraries in the city and the State, as well as the South Carolina Historical Society.

Hello,

I was recently looking through the church records and promised to send a note detailing a few typos I found while doing some genealogical research.

1) In the record of marriages : p.5: #351, Knee should be Knie; same for #532;

p.10, #690, Dyber (bride) should be Dyher;  
same for #91;

2) In the alphabetical listing of brides' marriages, #470, Marie Osterholz (should be spelled Osterholtz) married Charles Dyher, not Dykr. There is a cross reference again to Dyber.

These are minor typos, but might be a source of confusion for a subsequent researcher.

Thanks for giving me access to the records. If anybody ever turns up anything on Charles Weber and/or Wilhelmina Struhs, my great grandparents, please let me know!
