Above I have recorded, as far as I was able, faithfully the sermons I have preached while I had charge of the Cong. comprising the Hopewell Ferry Cong. I am conscious of many defects. I might have done more & done it better. The Lord forgive all imperfections. I then gave into the pulpit & thought I was prepared & come out of it ashamed. I have also gone into it & thought I was not prepared & come out of it satisfied. Pleased Master Jesus, make that truth I have sown, & may it bring forth much fruit. May I find in the great day of eternity that I have not labored in vain. I leave this people in the hands of the Lord, praying they may know a better Pastor than they had.

Journal of Sermons.

April 1st 1860 I took charge of the Congregation comprising the Salem Chapel in Salem Rowan Co. Va. Where in the Providence of God I expect to preach "Jesus & the Resurrection". I feel the need of God's grace & pray for help. O blessed Master Jesus. Give my Power, Strength, health, & above all, similarity in the pulpit. Make me more faithful than I have ever been. Bless my labor of love here. Make me instrumental in the conversion & salvation of very many. May my preaching be not only acceptable to my people, but acknowledge be the Father, & the power of God to glorify. Bless me, even me, & make me faithful.

The past year was the most unfruitful year of my ministry. The... production of piety of the extension of the Kingdom. I may show... my calling in... Eternity now can only reveal.

Journal of sermons.

April 1 st 1861.	I took charge of the Cong. in Newbury S.C. This Cong had not only been neglected for a year, but a serious disturbance had been here, pulling down the Cong. I have taken them in connection with the duties of College, with the hope that they may recover from the shock they have received. The degressively arose in Dr. Stone's Ministry, in marrying a woman who was divorced from her former husband. I pray God that my labors may not only be useful & blessed, but that I may be instrumental in doing much good. O then O Lord I look for help!
