

Inventory of Alphabetized Indices of Church Records

St. John's Lutheran Church
Charleston, SC

**St. John's is fortunate to hold a series of indices produced by church member George Bonnoitt in the early 1990s. These documents contain alphabetical listings of persons whose names are mentioned in the records of St. John's Lutheran Church. Each index includes an explanatory "Foreword" by Bonnoitt that describes in detail which documents were used and includes a variety of detailed notations about issues and idiosyncrasies relevant to the work. Images are included below. The preparation of the indices was undertaken primarily to help the church respond to queries from descendants of church members. In each case, the indices are accompanied by transcribed (and, in some cases, translated) bound paper copies of the documents themselves, which are included here when available. The list below is simply a record of the indices and the corresponding documents to which they refer.*

1. Alphabetical Index of Persons from the following Records of St. John's Lutheran Church:

- a. MO1: Vestry Minutes Book No. 1 (German): 1767-1786
- b. MO2: Vestry Minutes Book No. 2: 1786-1818
- c. MO3: Vestry Minutes Book No. 3: 1830-1845
- d. MO4: Vestry Minutes Book No. 4: 1830-1845
- e. R01: the first church Register (1755-1787 in German)
- f. R1A: alpha index of non-principals only from the first church Register (i.e., witnesses and sponsors vs. those born, baptized, etc.)

2. Alphabetical Index of Persons from the following Records of St. John's Lutheran Church:

- a. MO6: Vestry Minutes Book No. 6: 1865-1882
- b. MO7: Vestry Minutes Book No. 7: 1882-1913

3. Alphabetical Index of Persons from the Register of St. John's Lutheran Church, 1822-1922

The Introduction, included below, indicates that due to gaps this index was culled together from various sources. There are no hard copies accompanying this index; it is, however, available on microfilm.

4. Epitaphs in the St. John's Church Yard

This is a version of an earlier document that has been updated by the History Committee. The initial version was completed as part of Roosevelt's Works Progress Administration (WPA) program by Miss Erma Mixson. This was consequently updated with changes/addition by the History Committee in 1988.

5. Signatures of St. John's Members from old Rules Book, ca. 1784

Inventory of Microfilm Archive of Church Documents

**There are 10 total microfilms in the storage vault of the History Room at St. Johns. Images are copied below from 9 that were produced in one session and assigned accession numbers with labels. A 10th was produced at a different time and preserves a copy of the earliest Vestry Minutes (referred to elsewhere as #MO1) from 1767-1784. This 10th microfilm is unnumbered but is differentiated by its black plastic case.*

FOREWORD

1. This volume contains an alphabetical index of persons whose names are mentioned in the old records of St. John's Lutheran Church. The records concerned cover the period from 1755 to 1845, and are indicated in the Reference ("REF") column as follows:

a. **M01** = the Vestry Minutes Book No. 1 (written in the German) for the period 1767 to 1786.

b. **M02** = the Vestry Minutes Book No. 2 (the first minutes book written in English) for the period 1786 - 1818.

c. **M03** = Vestry Minutes Book No. 3 for the period 1818 to 1829.

d. **M04** = Vestry Minutes Book No. 4 for the period 1830 to 1845. When investigating references in this book it should be noted that the page numbers are those shown in the typescript at the bottom of the page **without parentheses**. This is because the then Secretary, Mr. Jacob F. Schirmer, failed to number some pages in the handwritten book. In the typescript the **original** page numbers are shown in parentheses.

e. **R01** = The first Church Register (written in the German) for the period 1755 - 1787. This reference contains the names of principals only (i.e. those born and baptized and their parents, and those confirmed, married and deceased.)

f. **R1A** An alphabetical index only of names from the first Register, but of non-principals only (i.e. of witnesses and sponsors to baptisms and witnesses to marriages and any other persons whose names are shown).

2. The next Minutes Book, which would be coded **M05**, for the period 1845 - 1865, is missing. The next books, coded **M06** for the years 1865 - 1882 and **M07** for the years 1882 - 1913, make up another alphabetical index which has been compiled separately in a second volume for ease in handling and sorting.

3. These sets of indexes have been prepared by the undersigned in the interests of more easily replying to the many inquiries the Church Office receives from descendents of former members. The Church Vestry has given its permission to distribute copies to several libraries in the city and the State, as well as the South Carolina Historical Society.
