

Inventory of Alphabetized Indices of Church Records

St. John's Lutheran Church
Charleston, SC

**St. John's is fortunate to hold a series of indices produced by church member George Bonnoitt in the early 1990s. These documents contain alphabetical listings of persons whose names are mentioned in the records of St. John's Lutheran Church. Each index includes an explanatory "Foreword" by Bonnoitt that describes in detail which documents were used and includes a variety of detailed notations about issues and idiosyncrasies relevant to the work. Images are included below. The preparation of the indices was undertaken primarily to help the church respond to queries from descendants of church members. In each case, the indices are accompanied by transcribed (and, in some cases, translated) bound paper copies of the documents themselves, which are included here when available. The list below is simply a record of the indices and the corresponding documents to which they refer.*

1. Alphabetical Index of Persons from the following Records of St. John's Lutheran Church:

- a. MO1: Vestry Minutes Book No. 1 (German): 1767-1786
- b. MO2: Vestry Minutes Book No. 2: 1786-1818
- c. MO3: Vestry Minutes Book No. 3: 1830-1845
- d. MO4: Vestry Minutes Book No. 4: 1830-1845
- e. R01: the first church Register (1755-1787 in German)
- f. R1A: alpha index of non-principals only from the first church Register (i.e., witnesses and sponsors vs. those born, baptized, etc.)

2. Alphabetical Index of Persons from the following Records of St. John's Lutheran Church:

- a. MO6: Vestry Minutes Book No. 6: 1865-1882
- b. MO7: Vestry Minutes Book No. 7: 1882-1913

3. Alphabetical Index of Persons from the Register of St. John's Lutheran Church, 1822-1922

The Introduction, included below, indicates that due to gaps this index was culled together from various sources. There are no hard copies accompanying this index; it is, however, available on microfilm.

4. Epitaphs in the St. John's Church Yard

This is a version of an earlier document that has been updated by the History Committee. The initial version was completed as part of Roosevelt's Works Progress Administration (WPA) program by Miss Erma Mixson. This was consequently updated with changes/addition by the History Committee in 1988.

5. Signatures of St. John's Members from old Rules Book, ca. 1784

Inventory of Microfilm Archive of Church Documents

St. John's Lutheran Church
Charleston, SC

**There are 10 total microfilms in the storage vault of the History Room at St. Johns. Images are copied below from 9 that were produced in one session and assigned accession numbers with labels. A 10th was produced at a different time and preserves a copy of the earliest Vestry Minutes (referred to elsewhere as #MO1) from 1767-1784. This 10th microfilm is unnumbered but is differentiated by its black plastic case.*

CHURCH REGISTER
OF
ST. JOHN'S LUTHERAN CHURCH
CHARLESTON, SOUTH CAROLINA

Alphabetical Index of the Register
Consisting of
Births & Baptisms 1863 - 1922
Confirmations 1864 - 1917
Marriages 1822 - 1920
Deaths 1872 - 1917

INTRODUCTION

This index of the Church Register for the overall period 1822 - 1922 is the first such index that has been prepared. Heretofore it has been necessary in finding an item to first know the approximate date of the occurrence or to make a visual scan for the same, which incurs the very real risk of simply missing the event desired.

It contains, in the section on marriages, a list, covering the period 1822 to 1865, taken from a list in the diary of Mr. Jacob F. Schirmer, who was Vestryman and Church President for most of his adult life. The actual list of marriages, births & baptisms, confirmations and deaths is not available, having been destroyed during the Civil War. There, in the Marriage Section, the "Auth" column shows the initials of the persons recording the ceremonies, as follows:

Initials	Name	Period
JFS	Mr. Jacob F. Schirmer	1822 - 1865
JB	Rev. John Bachman	1865 - 1876
TWD	Rev. Thomas W. Dosh	1872 - 1876
WWH	Rev. W. W. Hicks	1869 - 1870
ETH	Rev. Edward Traill Horn	1876 - 1897
JWH	Rev. John W. Horine	1897 - 1907
AM	Rev. Armand Miller	1907 - 1912
GJG	Rev. George J. Gongaware	1913 - 1941

The page numbers, where shown, are consecutive pages in the original handwritten Register, although no such numbers were actually written in the Register Book.

In the section on marriages, there are two indexes presented; one is in alphabetical order of the names of the bridegrooms, and the other in alphabetical order of the brides' maiden names. The latter is provided in the interests of genealogical research.

This set of indexes have been prepared by the undersigned in the interests of more easily replying to the many inquiries the Church Office receives from descendants of former members.
